

Mindfest

Are you a Business Geek? Do you feel a huge rush of excitement when you see puzzles, Guesstimates and Case study? As the timer ticks down, does your heart beat more quickly with anticipation?

If Yes!! Mind Fest will challenge you to demonstrate your mettle against the greatest players from IIM, IIT, ISB, NIT and many other top institutes with bright minds in the game! The ultimate test of your business savvy will take place at NITW arena!

Join us for a dynamic and interactive event that will inspire new ways to think!!

Each team is going to have 2-3 members.

Our Flagship event is designed to be both fun and informative with the below rounds:

Round 1 (Quiz-O-Mania)- Round 1 is an Online test consisting of MCQ questions. The questions will be based on general aspect and puzzles.

Round 2 (Guesstimate round) - Based on Round 1 results, the teams will be shortlisted for Round 2. This will be in offline mode.

We've got a variety of fun and challenging questions for you to tackle, from guessing the number of jellybeans in a jar to predicting the number of tea cups was consumed in Hyderabad last month. You'll have the chance to show off your ability to think on your feet and make educated guesses. But it's not just about being the best guesser - this event is also about having fun and learning something new.

Round 3 (Case Study round) - Based on Round 2 results, the teams will be shortlisted for Round 3. This will be in offline mode. All the selected teams will be given a common Case Study and need to solve it and present to the panel members.

But it's not all about the competition - our event is also a great opportunity to network and connect with other students, professionals in your field. Whether you're looking to expand your network or simply have a bit of fun, our flagship event is the perfect opportunity to do so.

So why not join us for the Flagship Event of fun, knowledge, and networking? See you at NITW arena.
