

Worthy Demystifier

Tagline: - Trusting data leads to best service

Description- Worthy Demystifier event comprises of 3 rounds where the 2nd round will be an elimination round. Team size will be 2-3 members.

Round 1- Round 1 is an online (on Unstop) quiz consisting of MCQ questions. The questions will be focused on the analytics domain. First round quiz will be conducted between Feb 4th and Feb 6th and would be time bound. Based on the scores, participants will be shortlisted to round 2.

Round 2- Dataset analysis (Final round) This will be in offline mode. In this round, the shortlisted teams will be given a dataset and they will have to come up with an analysis of the dataset. The further details will be communicated to the candidates shortlisted from round 1.
